STUDENT

History major transferring from Foothill College to a four-year university in Fall 2027, with hands on experience in law through Envisioneers and a background in engineering and education. Pursuing law school and a legal career.

WORK EXPERIENCE

- **2026 - Present**
Envisioneers
Teaching Fellow
 - Worked with legal professionals to learn about law and develop a legal curriculum to teach to underprivileged students with the goal of showing them how education can directly manifest into a career
 - A great opportunity for not just the students, but myself also as I was able to learn what happens in a courtroom, the various types of law and what the day to day looks like for a lawyer.
- **2023 & 2024**
Meyers+
MEP Engineering Internship
 - Interned on both the mechanical and electrical engineering sides
 - Assigned tasks ranging from editing and verifying models were in line with government building codes to going in person to on-site visits ensuring projects were being constructed as planned
 - Learned a lot about engineering design and developed my skills in communication, learning how to navigate working in a professional environment
- **2022 & 2026**
Harbor Bay Tennis Club
Summer Tennis Coach
 - Designed and led lesson plans for students ages 5-16, collaborating with fellow coaches to structure sessions by skill level
 - Served as a mentor figure to students, building rapport with both kids and parents
 - Developed customer service, teamwork and time management skills through consistent, direct interaction with students and families
